

The Photographic Society of America

(Revised July 9, 2020)

Exhibition Catalog Submittal Requirements

The Exhibition Standards (ES) requires that one copy of an exhibition's catalog be sent to PSA no later than the approved catalog availability date.

Exhibition Data Acceptance Spreadsheets (EDAS) do not fulfill this requirement.

DO NOT send your EDAS directly to any Star Ratings Directors.

Regardless of which Region Exhibition Standards Director (RESA) recognized your exhibition, **one** copy of your catalog must be sent to:

Ethics Review Advisor

Daniel Charbonnet, HonPSA, EPSA

E-Mail: era@psa-photo.org

There is a separate page in this document for each Region Exhibition Standards Director with the names and emails of each person who must be sent a.

- The copy of the catalog must be **downloadable electronic PDF** file.
- It is preferred you email copies of this pdf to the appropriate persons instead of providing a link.

Specific Catalog requirements per the Exhibition Standards are:

- Exhibition name and year must be on the cover. Year must be year of the closing date.
- The PSA Logo with the correct Registration Number must be on the cover.
- The PSA Recognition Statement must be included and be as large and that of any other international photographic organization. It can be anywhere in the Catalog. It only needs to appear once in the catalog.
- Names of judges in each section and/or category must be listed.
- Separate listing of Awards (Medals, Plaques, Ribbons, etc.) must be included and separated by class and Division. List must precede acceptance listing and is in addition to the acceptance listing.

- List of accepted exhibitors must be in **alphabetical order by family name**. You may sort the listing by country first, then family name-given name of the entrant. **Acceptance List must include those acceptances already included in the listings of Awards.**
- Sections must be in the following order where applicable: Projected Images (Color), Projected Images (Monochrome), Nature Digital, Nature Prints, Nature Slides, Photo Travel Digital, Photo Travel Prints, Photo Travel Slides, PJ Digital, PJ Prints, PJ Slides, Pictorial Prints and 3D Digital, 3D Prints and 3D Slides.
- Catalog must be mailed to exhibitors or be available on-line by approved mailing (posting) date.
- Font and type size must be legible to the average reader (10-point or larger font).
- **An online catalog version, or one sent as a PDF file to exhibitors, must have exhibition name and year on each page.**
- **Online galleries of awards and acceptances are not considered online catalogs.**
- **The exhibitor names and accepted image titles in your catalog, no matter what the style is, MUST agree with your EDAS. If there are any differences between the catalog and the set of EDAS you submit, you MUST submit corrections to the EDAS.**

Notes and Reminders for Catalog:

1. If you will not be able to submit your catalog per the approved application, immediately notify the Exhibition Standards Directors telling them why the delay and approximately when it will be mailed
2. **If your exhibition will have a PDF file for exhibitors to download, it must be on the web site for at least 180 days after the Catalog submittal date in your Recognition Certificate.**
3. You are only required to send the catalogs to the Ethics Review Advisor and the RESD that recognized your exhibition identified below.
4. If a person on the list was also an entrant, that person must be sent separate copies of your catalog, one as an entrant and one for their position on the list.
5. Please remember, the exhibitors and PSA workers who use your catalog need a listing in at least a 10-point font.

The RESD that approved your application must be sent a digital copy of your catalog. Please do not send the RESD a printed catalog.

The current RESD's are as follows. Use the name on your Recognition Certificate to determine who to send the digital catalog to.
