Purpose – The **Peabody Award for General Photography** is presented annually to a person who is known for his/her outstanding photographic proficiency in the Society's general photography Divisions, those being the Projected Image Division (PID) and the Pictorial Print Division (PPD). This award's emphasis is proficiency.

Eligibility Requirements – The **Peabody Award for General Photography** is open to any PSA member who has demonstrated outstanding proficiency and skill in the general photography Divisions through participation in international exhibitions, TOPS, and presenting programs and workshops at the PSA conferences and other conferences. Additional consideration may be given to the candidate's service to the Society's general photography Divisions in terms of providing organizational leadership, furthering participation in exhibitions, and developing awareness through publicity.
