First PSA Club Reps of the Year Honored

by Joanne Stolte, APSA, EPSA, Information Systems Vice President

At the PSA 2010 Conference in Charleston, SC, the first PSA Club Representatives of the Year were honored. The Club Representative of the Year Award recognizes those Club Reps who keep their PSA-member club involved with PSA activities, present PSA information at each club meeting, and refer many individual members to PSA. Two awards are presented annually: one to the Club Rep of the Year from a “large” club and the other to the Club Rep of the Year from a “small” club.

Earning the award for small clubs was **Nellie Bretherick**, who, until recently, was the Club Rep for the **Dallas Camera Club** of Dallas, TX. Nellie has referred 25 new members to PSA and has earned a second PSA Membership Star.

The 2010 recipient of the Club Representative of the Year award for a “large” club is **Susan Bailey**, who, until recently was the Club Rep for the **Carolinas' Nature Photographers Association (CNPA)**. Susan has referred 42 new members to PSA since she joined PSA in August 2009.

April Bielefeldt, above right, won the free copy of Lightroom® 3 at the Lancaster Photography Association's Adobe® Lightroom® 3 Club Event. Helen Henry, Region 10 Director, is at left.

CLUBS ENJOYING SUCCESS OF PSA ADOBE® LIGHTROOM®3 CLUB EVENTS

by Pat Gordy, Region 13 Director and Editor of *The Projector*

To celebrate the launch of Lightroom 3, Adobe® is offering PSA-member Camera Clubs an exclusive opportunity to host a Lightroom® 3 Club Event by providing everything needed including software, prizes, and training to host a successful event.

Many PSA Member Clubs have already held their Adobe® Photoshop® Lightroom® 3 Club Events and have reported great success, while others have events scheduled. Does your club have one of these events planned? If not, see the details at <http://psa-clubservices.org/> and get started.

The **Lancaster Photography Association** of Lancaster, CA, held its event on October 26, with **Helen Henry**, Region Director, Region 10 (southern California) leading it after she took the Julieanne Kost training.

To get the required 50 in attendance for an Adobe® Club Event, the **Middle Georgia Camera Club** of Macon GA, and the **Digital Imaging Photography Guild** of Warner Robbins, GA, teamed up to hold their event in September, led by William Haun. **Tom Stoner**, PSA Club

Rep for the Digital Imaging Photography Guild, said, "We had more than 60 people in attendance from the two clubs. Attendance was evenly divided between the two clubs. It was by far one of the better photography events we have conducted."

To inspire your club members to take a fall trip to Colorado, and to attend the PSA 2011 Conference in Colorado Springs, September 18-24, have your webmaster and/or newsletter editor begin using the 2011 Conference logo. It can be downloaded from http://www.psa-newmember.org/getting_started/logo_usage.html

While at the above website, they can also download the current approved PSA logo (not the one with the eagle) and read about the proper usage of the PSA logo.

Three Clubs Earn the PSA Club Service Award

by Pat Gordy, PSA Region 13 Director and Editor of *The Projector*

At the PSA Conference in Charleston, the **Cleveland Photographic Society** of Cleveland, Ohio; the **Image Makers Camera Club** of Oconomowoc, Wisconsin, and the **Photographic Society of Chattanooga**, TN were each presented with the PSA Club Service Award.

Club Service Awards are given in recognition of many major photography service efforts made by a member club in communities worldwide. The award recognizes clubs participation in photographic projects of a civic nature such as town or area publicity, welfare and charity fund-raising, historical docu-

mentation, community promotion, and education in the art and craft of photography. This award may be applied for by a club member or officer, with endorsements. It is presented at the PSA Conference. Application information may be found at http://psa-clubservices.org/club_services/recognition.html

Contest Report and Education Needs of Clubs

by Margaret Sprott, Camera Club Committee Chair

Members of the Camera Club Committee have had a busy couple of months, managing contests, going to the PSA conference, and mailing out awards. Thank you to: **Joan Field, APSA** for a superb job of managing the Newsletter Contest and presenting the awards at the PSA conference; **Charlie Burke, APSA, PPSA** for taking over the Website Contest in the middle of the year and doing a wonderful job with it; **Roz Kleffman** for accepting the entries and managing the judging for the Councils Challenge and compiling the results, and sending the entries to **Sharp Todd**; **Hazel Meredith** for taking down the Councils' Challenge prints at the end of the conference and for being the back-up receiver of all the newsletter entries; and **Sharp Todd, APSA, PPSA** for preparing and presenting a wonderful CD of the winners and all of the entries in the Councils Challenge, a copy of which has been given to all of the councils.

There was good participation in all the contests with 58 entries in the newsletter contest, 55 in the website contest, and 13 councils participating in the Councils Challenge. There were significantly more entries from

large clubs in both the newsletter and website contests so the definitions of large vs. small clubs may change next year. Watch for the entry instructions in the *PSA Journal*, on the PhotoEditors on-line site, and here in *The Projector* next spring.

Education Needs of Clubs

If your camera club is anything like ours, you have many members clambering for more education. PSA will be attempting to meet some of this need, but your input is needed. I would love to hear answers from all of you to the following questions:

- What topics are of interest to your club?
- What would be the best way to get this type of information to your club?
- Would your club be likely to borrow relevant programs from PSA if they were available?
- Do you know any great instructors and can you give us their names?

Please e-mail me at dick_margaret@verizon.net with your answers, and I'll be looking forward to hearing from you.

PSA Councils Challenge 2010 Results

by Sharp Todd, APSA, PPSA, Chapters, Clubs, & Councils VP

The 2010 Councils Challenge judging took place during the first week of July. **Roz Kleffman** of the Bowie-Crofton Camera Club organized and coordinated the effort. The judges were **Dick Whitley, APSA, PPSA**, Dave Horneck, and **Bill Conway**. Others from the club that helped were **Beth Fabey**, Zolt Levay, Shirley Conway, Vince Ferrari, and **Gretchen Buddenhagen**. Thanks go to the Bowie-Crofton Camera Club, **Roz Kleffman**, the judges and the workers.

There were a total of thirteen councils or associations participating this year with six competing in all three sections, three competing in two sections, and four competing in only one section. This competition is open to any organized group of camera clubs. This group must be a member of PSA. The individual clubs within the organized group do not have to be PSA members for the organization to be able to join in on the competition. If your club is in a PSA member organization of clubs and not represented in the results above, we'd like to see it in competition next year.

New Council Services Director

by Hazel Meredith, Council Services Director & PSA Journal Club News Editor

Recently, I accepted a newly created position within the Chapters, Clubs, and Councils Vice Presidents area - that of Council Services Director. The goal of this director is to create programs specifically for PSA Member Councils in order to give Councils more avenues to become active and enhance the value of the PSA membership.

My first task will be to create a master list of judges and speakers to be shared among all PSA Member Councils. In the near future, I will be contacting the president of each Council in order to obtain any

current lists the Council may already have, as well as add the names of members that may wish to judge or speak at other Councils.

If you have any suggestions for Council activities, please feel free

to contact me at hmeredithpsa@aol.com

Did you know that PSA-member clubs can submit photos for their Region webpage? Just take a photo of a club event and submit it to your PSA Region Director who will have it uploaded to the webpage of your Region for all to see.
