

## Albuquerque Revisited

invites YOU...

to participate in a Digital Presentation at the  
2015 West Yellowstone Conference

Yes! You are invited to participate, by submitting your digital images for the "Albuquerque Revisited" Multi-Media Presentation at the 2015 PSA West Yellowstone Conference.

All PSA members are invited to participate, even if they did not attend the 2014 PSA Albuquerque Conference, but have suitable pictures of the Albuquerque area, which may help to enhance the presentation. Yes, you are all invited!

Anyone who has previously participated or attended one of the "Revisited" presentations at a conference, will agree that this is one of the Conferences' most fun-filled sharing experience, keeping our memories alive through photography.

As you select your images, please consider images of interest, from field trips, workshops, presentations, scenic or any other experience taking place during and around the conference. You may submit any number of digital images on a CD or DVD, but no internet submissions please. ***We can use only images of good quality and please consider a variety of pictorial subject matter. There is no need to resize.*** However, if you must resize, consider a minimum of 1600 x 1200 pixels. You must do your own digital enhancements and tweaking. Send only JPEG or TIFF files, ***along with your photo release (email Joe for a copy of the release)***, to: **Joseph J. Zaia, FPSA**, at: PO Box 462, Flagler Beach, FL 32136-0462, no later than **May 1, 2015**. If you are late with your entry, please email or call us to let us know the entry is on the way. Those wishing to have their pictures returned promptly must provide a suitable self-addressed and stamped envelope; otherwise, pictures will be returned at the 2015 West Yellowstone Conference.

Please fill out the photo release and return it with your CD. Let us know if you do or do not need your pictures back and if you plan to join us in West Yellowstone.

If you should have any questions or need additional information, please contact me at: [jnezaia@att.net](mailto:jnezaia@att.net) or call 386-439-6787.

Thank you and I look forward to hearing from you soon and seeing you at the debut presentation in West Yellowstone.

## PSA Galleries

One of the great benefits of PSA membership is to be able to share your photographic talents on the website. PSA offers its members five different types of galleries in which they can participate. Some are group galleries and others are for individuals. Some only remain on the site for months while others remain as long as the member is in good standing. All galleries are available only to PSA members.

**First Year Galleries** for new members are only for PSA members in their first year of membership. Grouped by the month in which the member submits the image, the monthly New Member Galleries remain on the PSA website for one year. New members may only submit one image to the First Year Gallery in total. Note: Once the new member participates in any month's First Year Gallery that is it for the year. To submit to the First Year Gallery, go to <http://psa-photo.org/index.php?galleries-new-member-gallery>.

**Show Your Stuff Galleries** are for PSA members in their second year of membership. This gallery is not grouped by month. Members submit one image, which appears on the top row of the gallery. This gallery is a constantly rotating gallery. As soon as a new top row is added, the bottom row is removed. We generally keep 10 rows of images on display at all times. For information on how to submit to the Show Your Stuff Gallery, see <http://psa-photo.org/index.php?galleries-show-your-stuff>

**PSA Member Galleries** are available to all PSA members. Grouped by state, province, or country, these galleries are accessed also from larger area pages such as "North American Galleries" or "Asia Galleries." Members may submit up to six images plus a short biography and a portrait. PSA Member Galleries may also be linked from PSA chapter pages. Member galleries remain on the website as long as the photographer is a PSA member in good standing. To submit to a Member Gallery, go to: <http://psa-photo.org/index.php?galleries-member-galleries> and use the link to the Gallery Upload Form.

**ROPA Galleries** are for PSA members who have earned at least a PPSA distinction. Grouped by distinction (i.e. PPSA, EPSA, MPSA, GMPSA), the galleries are similar to the PSA Member Galleries, but are filled with images from members who have earned multiple exhibition acceptances. ROPA galleries are also accessible from the Member Gallery area and contain "ROPA" after each name. When a member earns a new distinction, the gallery is graduated to the appropriate distinction and the biography updated to reflect the change. ROPA galleries remain on the website as long as the photographer is a PSA member in good standing. To create a ROPA gallery, go to <http://psa-photo.org/index.php?ropa-galleries-overview> and click the link that says "Use our online form."

The newest PSA gallery area is the **365-day Galleries**. These are one-theme-a-day galleries with one image per theme submitted from any pre-registered member. Images remain on the site for up to three months and then are replaced with the next month's themes. To register for the 365-day gallery and view the current themes, go to <http://psa-photo.org/index.php?365-day-gallery> and use the 365-day-upload form that is linked from that page.

For a good overview of all the PSA galleries, go to: <http://psa-photo.org/index.php?galleries>.

A PSA gallery is a great way to share your favorite images with other PSA members. Be aware, however, that the galleries are popular and may take 3-5 business days before they appear on the site.

**Note:** PSA no longer displays links to SmugMug galleries. If you have images in a PSA SmugMug gallery and are still a PSA member in good standing, you can request to have up to 6 of those images transferred over to a PSA Member Gallery.
