PSA INTERNATIONAL PRINT EXHIBITION

Several years ago, selected PSA members from outside the USA were invited to submit images for an International Print Exhibition (a gallery showing, not a competition). The exhibition was initially planned for Oman but that did not eventuate. However, the exhibition has been shown in two locations in South Africa (in 2017), in Morocco (2018) and two locations in Vietnam (2018). If you log in to the PSA website you can view a short video of two of the exhibitions and download the catalogue. The links are on the home page. The next showing of the exhibition will be in Singapore. If you have any questions about the exhibition please contact the International Relationships VP, Agatha Bunanta.

EMAILS FROM INTERNATIONAL EXHIBITIONS

Over the last few months you should have noticed a reduction in the number of unsolicited emails you receive for international exhibitions. When an international exhibition gets PSA recognition, it is required to limit the number of emails it sends to 6 and each email is required to have an ‘unsubscribe’ link. If you receive emails from exhibitions that are not following these rules please forward them to the PSA Exhibitions Standards Chair, Dan Charbonnet, at esc-chair@psa-photo.org with a brief note such as “No unsubscribe link in email”. You should also email Dan if you suspect that any PSA recognised exhibition is engaging in any unethical practices.

PSA TRAVEL ADVISORY SERVICE

To encourage and facilitate contact between PSA members, the Board has revamped the Travel Aide Service. It is now known as the Travel Advisory Service. The Director, Tom Tauber, EPSA, is the immediate past chairman of the Photo Travel Division. If you have been serving as a Travel Aide and would like to continue to serve, or if you would like to serve as a new Travel Aide, please send your name, address, phone number and email address to Tom Tauber at tetauber@comcast.net and state the geographical area and your area of photographic expertise (nature, landscapes, travel photography, photojournalism, etc.).

To qualify as a Travel Aide you should have a good working knowledge of the photographic opportunities in the geographical areas you wish to cover. You should be willing to assist other PSA members in photographing those sites by sending them information about what to see, how to get there, when it’s best to go there and what to expect. You do not have to make personal contact with visitors once they get to your area but this would certainly be an added bonus for the visitors. More information about this service will be posted on the PSA website soon.

PSA JOURNAL

You should have received an email with a link from which you can download the September PSA Journal. If you miss it, log in to the PSA website, click on the “Journal” button and then on the “Journal Issues” button. Don’t forget to remind members in your area that they can download any Journal issue back to 2007 - one of the many benefits of PSA membership.

TOP ENGLAND EXHIBITORS

The results for the top UK Exhibitors *Who's Who* stats have been extracted manually (therefore O&EE) from PSA's global tables. Going through the records, I soon found that some collators haven't allocated exhibitors from the UK into the proper England, Northern Ireland, Scotland and Wales countries, and this was sometimes inconsistent anyway. Therefore, I have included exhibitors in the list from all 4 countries and the UK. This has been discussed between the Country Membership Directors and the matter is being raised with PSA's Who's Who VP. However, it could be a big job to sort out and with FIAP also being involved in discussions.

In the meantime, to help minimise the confusion in the preparation of the next Who's Who, could you consistently nominate your country as England, Scotland, Wales or Northern Ireland when entering exhibitions (when this is possible).

It is interesting that the UK seems particularly well represented with successful exhibitors in Nature prints, Phototravel prints and Small Colour & Mono prints. Other areas, perhaps less so. Any thoughts on this?

Note: Jdg is the number of judgings, Acc is the number of acceptances and AJS is the average judging score. Two stars means the exhibitor was themselves a judge. These numbers represent only the top participating exhibitors.
