If you love photography,  
you belong in PSA

Mark on U © Henry Ho

### PSA is Worldwide

Enjoy photography with people worldwide. PSA brings together professional and amateur photographers of all ages and levels of achievement. PSA's objective is to promote the art and science of photography in all its forms.

### PSA is People

PSA provides an opportunity to meet people from around the globe. PSA enables making life-long friends who share common interests and who can meet at the annual week-long conference in exciting photographic locations.

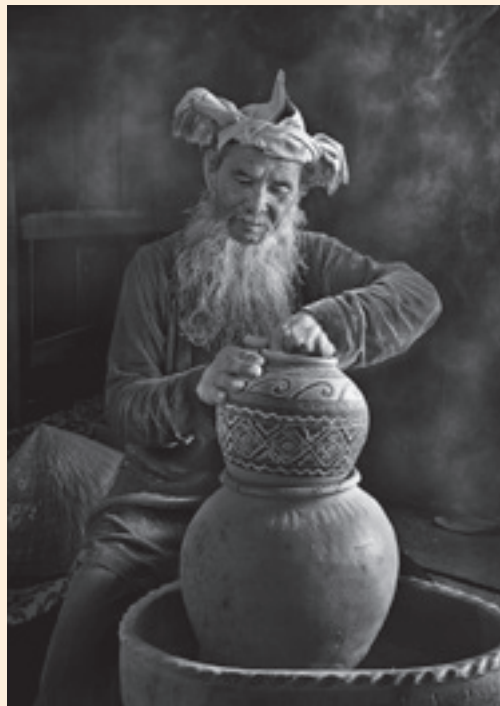

Winter in Romania © Tom Tauber, EPSA

### PSA is Sharing and Offers:

- The possibility of publishing articles and photos in the monthly *PSA Journal*.
- The opportunity to share your expertise with others through shows and workshops.
- The ability to interact with others who have similar photographic interests: digital imaging, nature, prints, 3D, travel, and photojournalism.

Uncle Clay © Sau Shun Wong

Amber © Malcolm Jenkin, MPSA

### PSA is Learning with:

- The ability to interact in online classes with outstanding instructors who interact one-on-one with each student.
- The opportunity to have your images critiqued by an expert photographer.
- The ability to participate in online study groups with many different topics.
- The ability to borrow audio/visual programs.

### PSA is Recognition

- Members have the ability to display images:
  - in online galleries
  - in the *PSA Journal*
  - in PSA-recognized international exhibitions
- Members have the ability to earn stars and distinctions through proficiency in exhibitions.
- Members have the ability to earn honors for volunteer work.
